L8 Christmas Postcard Competition

Could you design a Christmas Postcard for Toxteth Tab Church to share with the L8 community this year?

The theme of the postcard is 'Light in the darkness' - get creative and help us share some hope this Christmas!

When Jesus spoke again to the people, he said,
"I am the light of the world. Whoever follows me will never walk in darkness,
but will have the light of life." John 8:12

3 Categories:

- * 8 and under
- * 9-14
- * 15+ (inc. adults)

FREE TO ENTER!
Entries in by:
5th December 2020

Photograph or scan your pictures and send them to families@toxtethtab.org including your name and age.
The competition is for anyone who lives, works, goes to school or is part of a church or community group in L8.

The St Cleopas Referendum

In post-Brexit Britain a new question has been raised at St Cleopas, Should Mr Ralston keep his moustache or should he shave it off?

To help raise a bit of cash for charity I have decided that the people of St Cleopas should have the final say. On Monday we will hold a school-wide referendum to see if the moustache stays for a bit longer or if it gets shaved off.

Staff, children and parents can pay £1 to register their vote.

YES means I keep the moustache.

NO means the moustache will be gone.

Polling cards will be issued to children on Friday. Don't forget to vote.

All funds raised will be split between two local charities Livpac and Team Oasis. Thanks for your support.

Year 5 have been studying how Christmas is celebrated around the world and looking at Worship, traditions and food. We have a lot of fun learning about and then eating food from France, Germany, Italy and Switzerland. All desserts of course!

Year 6 this week made Christingles to celebrate our run up to Advent.
