VIVRE, RIRE ET APPRENDRE

St Cleopas News

Can all families who live in a Torus Housing property contact Mrs Pinnington in the office by email (info@stcleopas.com) by the end of next week as they will receive a free Christmas hamper and selection box ready for Christmas.

"I don't think of all the misery, but of the beauty that still remains." - Anne Frank

L8 Christmas Postcard Competition

Could you design a Christmas Postcard for Toxteth Tab Church to share with the L8 community this year?

The theme of the postcard is 'Light in the darkness' - get creative and help us share some hope this Christmas!

When Jesus spoke again to the people, he said,
"I am the light of the world. Whoever follows me will never walk in darkness,
but will have the light of life." John 8:12

Photograph or scan your pictures and send them to families@toxtethtab.org including your name and age.
The competition is for anyone who lives, works, goes to school or is part of a church or community group in L8.

We are Liverpool Parent Carers forum. We are the recognized voice for parents and carers across our city. We support families of children 0-25 years with special educational needs and/or disabilities.

This year has been incredibly hard for everyone, so we have decided to run a socially distanced Christmas grotto and a present drive. For the families we support and the underprivileged families who will struggle this Christmas, our aim is to make sure every child has a least one gift to open this year.

We have set up a just giving page for any cash donations gf.me/u/y8vkhb no matter how big or small, this can make a huge difference.

We are also looking for any toy donations wither new or nearly new so if you're having a clear out please consider us. Any donations or help in this matter would be greatly appreciated and make such a difference to some families.
