St Cleopas church of England Primary School

Mission Statement

Live, Laugh and Learn

Please sign up for Parent App Once you've accepted the invitation you then have to download the app from The App Store.

If anybody is having problems please contact the school office and we will be able to help.

We will be using the app for all communication amongst many other things

Please support our school
lottery £1 per week with a prize
every week for our school and a chance
to win £25.000 per week on the national draw.

Log on to

www.yourschoollottery.co.uk.
and register selecting St Cleopas
Thank you and Good Luck!

Welcome to the new School Council

Elijah Morris Yr2
Grace Billitt Yr 2
Imogen Skelton Yr 3
Abdulrhman Alfares Yr 3/4
Jessica Allen Yr 4
Harley Weston Yr 5
Martiana Bass Yr 5/6
McKauley Bridson Yr 6

Follow us on Twitter for daily updates @stcleopas. Every class also has their own page that has been retweeted so be sure to follow them too.

Whilst everybody is shopping online get 2021 off to the best start by raising a BIG donation for St Cleopas C of E Primary School when you book your holidays, breaks and getaways for the year ahead, TUI, Booking.com, Secret Escapes, Holiday Extras, Jet2, HomeAway, Lastminute.com and many more will all donate when you use easyfundraising to shop with them! It's easy and doesn't cost you anything extra. If you're not supporting us yet, it's easy and completely FREE. Visit:

Realise

Overview

From 6 weeks

Up to Level 2

Details

Tailored English and Maths training to individual needs and career goals

Analysis and evaluation of individual service users strengths and weaknesses across English and maths topics so that the right support plan can be put in place to help achieve the qualification

Training based on learner needs to help focus on what really matters

Work in mixed ability groups with individualised tasks and support

Equip individuals with the English and maths competence that will help to meet personal and career goals

"I had greatly improved on my confidence and has gone above and beyond what the outside course offers in a few occasions."

Feedback from a learner on our Confidence during COVID

What you will learn

English - learners are supported to read effectively and write accurately. We equip participants with the strategies and skills to analyse different texts and communicate clearly - Develop and practise skills across key topics such as percentages, fractions and statistics. Individuals learn how maths is used and applied in everyday life. Practice tests and support before assessment to help individuals achieve

About Realise

Expert support - 3 decades of experience and 30,000+ people helped into work.
Impartial information, advice and guidance - helping learners with the next steps in securing employment.
Wide reach into employers - Every year we work with 2,000+ employers.
Ongoing monitoring and support - Our specialist Trainers will guide and support you every step of the way

Dates of course

Inductions run every Wednesday afternoon via zoom.
Respite package put together for each learner

Opportunity with employers

All participants who complete a course with Realise will be put at the top of the talent pool for vacancies we have advertised on our website

Free computer courses at **Everton Development Trust**

Enterprise Hub Skills

Do you own a business? Work in an office? Or would like to?

Having a great understanding of **Microsoft Office** will give you a massive advantage in the workplace – and with EDT's Free **Enterprise Hub Skills** course

(free for people who are currently in employment or self-employed and live within Merseyside) you can go from a complete beginner to a fully confident user of Microsoft Office applications - Word, Excel, PowerPoint, Outlook and Access.

Beginners IT

Do you need **help** applying for **jobs** online, sending **emails** and writing **job applications**?

Do you know how to create an effective **CV** - **attach** your **CV** to an **email** and upload your CV to **employment websites** and **job agencies**?

You can learn all of this and more on our **beginners IT** course.

English and Maths

EDT offers training and testing for Functional Skills **English** and **Maths**.

Functional skills are the most practical skills you can develop to help you in **life**, in your **studying** and in the **workplace**

You can work toward a **level 2 English** qualification - a **level 2 maths** qualification, or both!

Enterprise Hub Skills is part funded by
European Social Fund

To qualify for Enterprise Hub Skills training you must be of working age, have the right to work in the UK - and live in Liverpool, Knowsley, Sefton, Walton or Wirral

For more information on Enterprise Hub Skills please contact: Everton Development Trust (EDT)
96 Great Homer Street - Liverpool L5 3LF - Tel: 0151 - 298 2478
