CL	We will be learning to... Understand how to listen carefully and why listening is important. Ask questions to find out more and to check we understand what has been said to us. Learn new vocabulary linked to daily routine / theme (tidy up time, snack, playtime, outdoors, indoors, team names) Say "Good morning", and other social phrases, to friends and adults. Take part in whole class and small group story times. Begin to ask questions to find out more and to check they understand what has been said to them. Model & encourage questions after instructions. Eg should I go in the outdoor area? Is it time for phonics?	We will be learning to... Connect one idea to another using a range of connectives. Use talk to help work out problems and organise thinking and activities, and to explain how things work and why they might happen. Begin to articulate their ideas and thoughts in well-formed sentence. This can be done by expressing and sharing ideas to friends and book talk Develop social phrases around routines of the day, greetings and friendship (please can I play with you? Can I have a turn next? Would you like to play in the X with me?) Begin to retell a simple story, once they have developed a deep familiarity with the text; some as exact repetition and some in their own words. Use focused & linked texts	We will be learning to... Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions. Make comments about what they have heard and ask questions to clarify their understanding Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary	We will be learning to... Engage in non-fiction books about animals, learning and using new vocabulary from them. Begin to understand humour e.g. nonsense rhymes / jokes Describe events in some detail. (linked to books eg life cycle) Use talk to help work out problems, organise thinking & activities explain how things work/why things happen (eg. I am going to do a challenge everyday so I have got through them all by the end of the week.) Develop and use social phrases with confidence (e.g let's play this together.)	We will be learning to... Use new vocabulary in different activities and areas of learning. Engage in non-fiction books about 'People who Help Us', learning and using new vocabulary from them. Hold conversation when engaged in back-and-forth exchanges with their teacher and peers. Use new vocabulary in different contexts • Ask questions to find out more and to check they understand what has been said to them. Articulate their ideas & thoughts in well-formed sentence. (encourage use of sentences	We will be learning to... Engage in non-fiction books about transport, learning and using new vocabulary from them. Hold conversation when engaged in back-and-forth exchanges with their teacher and peers. Understand humour more readily e.g. nonsense rhymes/jokes Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate. Express ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support.
