***What are scaled scores?**

Year 6 'expected standard' is met when a pupil achieves at least 100 on a scaled score in reading, GPS and maths in their SATs at the end of KS2.

The scaled score is the raw score they achieve on their test papers 'scaled' to a score between 80 and 120. Children scaled at 110+ are deemed as achieving a higher standard (greater depth).

Writing assessment outcomes are determined by teaching staff as meeting the expected or above standard.
