## *Attendance and Punctuality Policy*

### **Mission Statement:**

We are a distinctive, inclusive, Christian school, where everyone is welcomed and valued. We aim to nurture and develop opportunities for lifelong learning through a caring and inclusive ethos. We come together in a friendly, creative community to develop our cultural lives, spirituality and abilities through the core values of Love, Trust, Care, Respect and Joy all given and received in Jesus' name.

### **Biblical reference:**

**“..love one another. As I have loved you, so you must love one another, then everyone will know that you are my disciples”.**

**John 13:34-35**

## 1.0 Introduction

St Cleopas CofE School recognises the clear link between the attendance and achievement of pupils. The aim of this policy, is to encourage the highest possible levels of attendance and punctuality for pupils within St Cleopas CofE School to support learning and development.

The importance of attendance and punctuality is underpinned by an awareness of safeguarding issues. It is important to see our children every day and provide an educationally safe and secure environment.

To gain the greatest benefit from their education it is vital that all pupils attend regularly and on time. Pupils should aim to attend every day that the school is open. We set a target for all pupils to aim for 100% attendance with the expectation all pupils achieve at least 97%. **As a school we define regular attendance as 97% or above.**

St Cleopas CofE School believes Teachers, Parents, Carers, Pupils and all members of St Cleopas CofE School community have an important contribution in improving attendance and punctuality ensuring pupils attend to achieve. This Policy sets out how we will achieve this together and should be read in conjunction with the Attendance Roles and Responsibilities Guidance attached to this document.

## 2.0 Aims

- Maximise the overall percentage of pupil attendance and punctuality at St Cleopas CofE School.

- Reduce the number of pupils who are persistently absent and raise the profile of attendance and punctuality amongst the school community.

- Provide support advice and guidance for parents, pupils and staff.

  - Develop clear procedures for the maintenance of accurate registration for pupils.

  - Ensure a systematic approach to gathering, analysing and acting upon attendance data.

- Ensure a whole school approach to ensure consistency of intervention strategies.

- Continue to promote effective partnerships with the Local Authority, Children's Services, Health and other partner agencies.

## 2.1 Promoting regular Attendance at St Cleopas CofE School:

This is everyone's responsibility, all members of staff, parent/carers and pupils. To help us all focus on this, St Cleopas CofE School will ensure:

- Appropriate interventions are in place to improve punctuality.

- An appropriate curriculum is provided and will be reviewed regularly.

  - The need for high quality teaching and learning throughout the school is recognised as being essential to the promotion of attendance.

  - Pupils are provided with appropriate support to minimise absence from school. This includes St Cleopas CofE School and multi-agency provision as appropriate.

  - Special Educational Needs, disadvantaged and Looked After pupils and other vulnerable groups are given appropriate support, and attendance is monitored rigorously.

  - Effective partnerships with parent/carers are encouraged through regular contact and support provided.

  - Parents/carers are kept informed of pupils' attendance and punctuality through first day contact, termly progress reports, individual letters and meetings when required.

- Good attendance and punctuality is rewarded through regular incentives.

  - Attendance and punctuality is regularly discussed with pupils in class and at assemblies.

  - Staff attendance roles and responsibilities are clearly defined and all staff should ensure these are followed.

  - Weekly newsletters are circulated to parents, recording weekly attendance for each class and whole school attendance.

Parents receive half termly letters of congratulations for 100% attendance and/or improved attendance.  
Half term best class attenders trip, prize draws and certificates encourage pupils to attend school daily.

### 3.0 Attendance Expectations and Absence Procedures

A child not attending school is considered to be a safeguarding matter. This is why information about the cause of any absence is required.

#### 3.1 Expectations of Parent/Carer

Ensuring your child's regular attendance at school is a parent/carer's legal responsibility (Section 444 of the 1996 Education Act) and permitting absence from school that is not authorised by the school creates an offence in law.

Ensure your child arrives for school on time. The school day begins at 8.55am and finishes at 3pm.

Telephone school on 0151 727 1725 if your child is to be late. When you arrive, record your reasons when you sign your child in at reception.

For routine non-emergency medical and dental appointments please ensure they are made outside of school hours.

Contact school preferably by 8.55 am on the first day of absence if your child is unable to attend through illness, giving an indication of the expected duration and return date to school providing medical evidence/stamped or signed

If a text message/phone call is received as a result of your child's absence it is important that you respond to this text to ensure your child is appropriately safeguarded.

Contact the Attendance Lead (Mrs Pinnington) if the reason for absence requires a more personal contact.

**In case of emergency** we need up to date contact numbers at all times so please ensure you inform us of any changes especially to mobile telephone numbers. (As a school we request a minimum of two emergency contact details be provided)

Requests for exceptional circumstances leave of absence must be in writing to the Headteacher and can only be authorised by the Headteacher. Reasons such as a close family bereavement or taking part in a significant religious event would be acceptable for short absences. Unacceptable reasons for missing school, include holidays, weddings, shopping, concerts and birthdays.

#### 3.2 If a pupil is absent we will

Telephone and text parent/carer on the first day of absence if we have not heard from them by 9.15 am.

If no response is received and the absence is unauthorised a member of school staff will conduct a home visit. If there are safeguarding concerns contact will be made with the family as soon as possible.

If a pupil's absences are increasing and we are not aware of a good reason the parent/carer may be invited to meet the Attendance Lead.

If absences persist the school will discuss actions with the Education Welfare Officer, Attendance Lead and class teacher and possibly the Headteacher and Chair of Governors.

#### 4.0 Understanding types of Absence

St Cleopas CofE School has to record every absence that a pupil takes from school and this is why it is important that parents/carers advise school about the cause of any absence by phone on the first day of absence and in writing on the pupil's return.

#### 4.1 Authorised Absence

Authorised absence: is when the school has accepted the explanation offered as satisfactory justification for the absence or given approval in advance for such an absence. If no explanation is received, absences cannot be authorised. It is the Headteacher, not parents who make the decision to authorise absence from school.

## 4.2 Unauthorised Absence

Unauthorised absence: is when the school has not received a reason for absence or has not approved a child's leave absence from school after a parent's request. This includes but is not exclusive to:

Parents giving their children permission to be off school unnecessarily, such as for shopping, birthdays, to look after siblings/relatives, when one child is ill yet a sibling is not.

Absences which have not been explained.

Pupils who arrive at school too late (after 9.30 am) to get their mark.

This type of absence may lead to the use of Penalty Notices or other sanctions from the Local Authority. From September 2018 St Cleopas CofE School can issue warning letters (in accordance with the Local Authority Code of Conduct) to parents where their child has accrued 10 sessions of unauthorised absence in any one term. The warning period will cover a period of 20 schools days. If the child has any unauthorised absence during this time the school will refer the case to the local authority requesting a Penalty Notice be issued.

## 4.3 Persistent Absence

Pupils are defined as persistent absentees by the Department for Education (DFE) if their attendance falls below 90%. This is for any absence whether authorised or unauthorised. The DFE expects schools to intervene well before pupils reach a level of persistent absence.

Whilst we understand that pupils can be absent from school because they are ill, sometimes they can be reluctant to attend. If a pupil is reluctant to attend or a parent/carer has concerns, it is important that contact is made with the school as soon as possible to gain support and to work together to gain a resolution.

Parent/Carers are asked to contact the school in the first instance.

## 5.0 Why Regular Attendance is very important:

Any absence affects education and regular absence will seriously affect pupils' learning. Pupils who have time off often find it difficult to catch up and do well.

90% attendance is equivalent to a pupil missing one half day per week or approximately 118 lessons per year

Ensuring your child's regular attendance at school is your legal responsibility and permitting your child to have any absence without a good reason from school is an offence in law (The Education Act 1996) and may result in legal action.

## 6.0 The Education Welfare Officer (EWO)

The Education Welfare Officer – provides support for parents/carer and advice on problems relating to attendance, and encourages good communications between home and school.

The EWO will always try to resolve the situation by agreement with the family but, if a resolution cannot be achieved to improve the pupil's attendance and where unauthorised absence persists the EWO will be required to give consideration to the instigation of legal proceedings which include; Penalty Notices, Parental Prosecution and Education Supervision Orders. Details regarding attendance law, penalty fines and legal interventions are available from the Local Authority.

## 7.0 Leave of absence in Term Time

The Law does not give any entitlement to parents to take their child on holiday during term time. Any application for leave must be in truly exceptional circumstances and the Headteacher must be satisfied that the circumstances warrant the granting of leave.

Parents/carers can receive a Penalty Notice for taking their child on holiday during term time without prior consent from school. Consent cannot be given retrospectively.

Headteachers cannot grant any leave of absence during term time unless there are exceptional circumstances. The Headteacher will determine the number of school days a child can be away from school if the leave is granted.

## 8.0 Lateness

Poor punctuality is not acceptable. If a pupil misses the start of the day they can miss work and late arriving pupils disrupt lessons, it can be embarrassing for the pupil arriving late and can encourage future absence.

## 8.1 How we manage lateness

The school day starts and registers are taken at 9 am by the class teacher and pupils receive a late mark if they are not in their class by that time. School recommends that pupils arrive by 8.50 am.

If a pupil arrives late to school parents/carers must sign their child into the school system at the office and provide a reason.

Late arrival to school following the close of registers is classified as an absence. If a pupil is persistently late after the official close of the register, the school may request the local authority issue a Penalty Notice.

If a Parent/Carer has any problem getting their child to attend school on time they should contact the school office who will offer support to resolve the problem.

## 9.0 People Responsible for Attendance Matters at St Cleopas CofE School

All school staff, parents/carers and pupils need to work as a team to support the attendance and achievement of pupils. This continued support therefore is vital in making every pupil's journey through school a success.

## 10.0 Removal from Roll

From the 1st September 2016 changes were introduced to the Pupil Registration Regulations 2016. These amendments affect all non-standard transitions; this is whenever a child of compulsory school age leaves a school before completing the school's final year.

### As a school we are now required to:

Inform the LA in **every** circumstance when deleting a pupil's name from the admission register

Inform the LA of the pupil's destination school and home address if the pupil is moving to a new school.

Provide information to the LA when registering new pupils, including the pupil's address and previous school.

If your child is leaving our school parents are asked to:

Give the attendance officer comprehensive information about their plans, including any date of a move and your new address and telephone numbers, your child's new school and the start date when known. This should be submitted to our school in writing.

If pupils leave and we do not have the above information, then your child is considered to be a *child missing in education*. This requires schools and local authorities to then carry out investigations to try and locate your child, which includes liaising with Children's Services, the Police and other agencies. By giving us the above information, these investigations can be avoided.

## COVID-19 Attendance Policy (Additional Information)

This document does not replace our existing **Attendance Policy** which can be found on our website at [www.stcleopas.com](http://www.stcleopas.com) but it outlines our attendance procedures for the period of school re-opening from September 2020 until matters are reviewed in January 2021.

*\*Please refer to DfE guidance at the end of this document for information on vulnerability, shielding and quarantine requirements*

### Background

In March 2020 when the coronavirus (COVID-19) outbreak was increasing, the Government made amendments to the legislation which meant, parents would not be penalised or sanctioned for their child's non-attendance at school.

It is now vital for **all children** to return to school to minimise the long-term impact of the pandemic on children's education, wellbeing and wider development.

**School Attendance** will be compulsory from the beginning of the Autumn Term in September 2020.

Your child will be welcomed back into school and the usual rules on **School Attendance** will apply,

- It is the duty of the parent to ensure that their child attends school regularly (where the child is a registered pupil) and is of compulsory school age
- It is the responsibility of the school to record attendance and follow up absence.
- The availability of the local authority to issue sanctions relating to unauthorised absence from school will now continue.

### Who cannot attend school?

**Pupils who have Covid symptoms.**

**Pupils who have tested positive for Covid 19.**

**Pupils who have been informed by NHS Track and Trace to self isolate at home.**

### Pupils who are shielding or self-isolating

We now know much more about coronavirus (COVID-19) and so in future there will be far fewer children and young people advised to shield whenever community transmission rates are high. Therefore, the majority of pupils will be able to return to school. However:

A small number of pupils will still be unable to attend in line with public health advice because they are self-isolating and have had symptoms or a positive test result themselves; or because they are a close contact of someone who has coronavirus (COVID-19)

Shielding advice for all adults and children paused on 1 August 2020. This means that even the small number of pupils who will remain on the shielded patient list can also return to school, as can those who have family members who are shielding. Read the [current advice on shielding](#)

Where you and your child have been delayed in returning to the UK or travelling abroad and have been told to remain at home, you should not attend school during the period of quarantine. Please discuss such circumstances with the school and provide documentary evidence in support of the absence; school will consider the circumstances of the trip/time abroad to inform our decision to authorise absence or not. Current advice on [travel corridors](#)

If rates of the virus rise in local areas, children (or family members) from that area, and that area only, will be advised to shield during the period where rates remain high and therefore, they may be temporarily absent.

Some pupils no longer required to shield but who generally remain under the care of a specialist health professional may need to discuss their care with their health professional before returning to. You can find more advice from the Royal College of Pediatrics and Child Health at [COVID-19 - 'shielding' guidance for children and young people](#).

Where a pupil is unable to attend school because they are complying with clinical and/or public health advice, we will offer access to education at home resources. We will monitor engagement with this activity to ensure learning is being accessed appropriately. This may also apply to some pupils with Education Health Care Plans.

Where pupils are not able to attend school as parents are following clinical and/or public health advice, absence will not be penalised.

### **All other pupils must attend school.**

**Pupils of compulsory school age** must be in school unless a statutory reason applies and where the absence has been **authorised** for example;

The pupil has been granted a leave of absence

The pupil is unable to attend because of sickness

The pupil is absent for a necessary religious observance etc

We understand that some pupils, parents and households may be reluctant or anxious about returning to school. This may include pupils who have themselves been shielding previously but have been advised that this is no longer necessary, those living in households where someone is clinically vulnerable, or those concerned about the comparatively increased risk from coronavirus (COVID-19), including those from Black, Asian and Minority Ethnic (BAME) backgrounds or who have certain conditions such. This may also include some pupils with EHCP plans.

If parents of pupils with significant risk factors are concerned, please discuss your concerns with the school so that we can understand your situation and reassure you of the measures we have in place to reduce the risk in school. The school may contact the SEND and School Nursing Teams for advice and support, and we may require medical verification or other relevant documentation in order to assess risk.

### **Punctuality**

Some groups of pupils may be given staggered start and finish times to keep 'bubbles' apart as they arrive and leave school. Where this is the case, you will be informed. Staggered start and finish times will not reduce the amount of overall teaching time each child receives. Please ensure your child arrives on time and is collected on time in order to minimise disruption in line with the school's Covid risk management. Please contact the school ahead if you are experiencing difficulties. If lateness persists, the school will want to discuss this with you and agree some support measures; if matters do not improve, the lateness will **not be authorised** and the matter may be referred to the local authority Education Welfare Service.

Please refer to our 'drop off and collection' arrangements and **be aware that the gathering of parents at the school gates and otherwise coming onto the site without an appointment is not allowed.**

### **Absence Procedures**

**Parents and carers should notify the school as normal** if your child is unable to attend on any given day. You must update the school regularly regarding any ongoing absence.

Where a child is not regularly attending school, we will discuss this with you to understand what the difficulties are and agree some supportive measures to improve matters as early as possible. Normal absence procedures will be followed (please refer to our main Attendance Policy found on our website at [www.stcleopas.co.uk](http://www.stcleopas.co.uk))

Where the school's efforts do not result in an improvement in attendance or punctuality, and if there is no valid reason for the child to be absent, we will refer to the local authority Education Welfare Service for additional support, advice and statutory intervention.

### **Procedures for COVID related absence.**

If a parent reports a pupil absence due to COVID symptoms they should stay at home, be advised to get a test immediately and engage with NHS test and trace process. Tests can be booked online through the NHS testing and tracing for coronavirus website or ordered by telephone via NHS 119 for those without access to the internet.

- **Code X** to be applied during the period of self-isolation until the outcome of the test is known.

### **Parents must inform school immediately of the results of a test:**

If a pupil tests negative, they should return to school the following day if they are well.

If the child tests positive they should follow the 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection' and must continue to self-isolate for at least 10 days from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste. (This is because a cough or anosmia can last for several weeks once the infection has gone) The 10-day period starts from the day when they first became ill. If they still have a high temperature, they should keep self-isolating until their temperature returns to normal.

- **Code X** should be used for the period of self-isolation until the outcome of the test is known. If a positive result is confirmed the pupil should be recorded as code I (illness) until they are able to return to school.

If a pupil tests positive but has no symptoms for COVID-19 they must self-isolate for 10 days, starting from the day the test was taken.

If they develop symptoms during this isolation period, **they must restart** their 10-day isolation from the day they develop symptoms.

- **Code X** should be used for the period of self-isolation until the outcome of the test is known. Once a positive result is confirmed, the pupil should be recorded as code I (illness) until they are able to return to school.

After 10 days, if the pupil still has a temperature they should continue to self-isolate and seek medical advice. The pupil does not need to self-isolate after 10 days if they only have a cough or loss of sense of smell or taste, as these symptoms can last for several weeks after the infection has gone.

- **Code I** to be applied

For all pupils in a who have been instructed by NHS Track and Trace to self-isolate for 10 days

- **Code X** should be applied for all pupils who have been asked to self-isolate. The coding would be updated to **I** if any of the pupils subsequently develop symptoms and test positive for COVID.

### **Pupils who are required by legislation to self-isolate as part of a period of quarantine:**

As usual parents should plan their holidays as part of school breaks. If a pupil is required to be in quarantine on arrival in, or return to, the UK;

- **Code X** may be applied where the rules changed whilst on holiday.
- **From September, the normal rules will apply during the period of absence relating to the holiday dates.** Please refer to our main policy for guidance regarding holidays taken during term time.

### **Referrals to the Education Welfare Service**

All unauthorised absence is reported to the Education Welfare Service so the local authority can offer additional advice and support to parents as necessary. Where unauthorised absence is persistent, sanctions may be imposed to include warnings, penalty notices, prosecution in the magistrate's court or an education supervision order through the family proceedings court.

Where a child or family is away from home including abroad, and unable to return home, parents are expected to provide the school with detailed information as to the whereabouts, reasons for travel and estimated return dates. Where the school is not satisfied with the reasons provided, the absence will not be authorised, and this could result in the local authority issuing a Penalty Notice (please refer to our main Attendance Policy)

Leave of absence can only be granted in **exceptional circumstances**, at the discretion of the Headteacher and in accordance with the school policy as agreed by the governing body.

**Holidays in term time are not viewed as exceptional circumstances. There is no entitlement to time off during term time.**

Where the school and the Education Welfare Service have failed to locate the child/family within 20 school days, the child will be referred to the **Local authority Children Missing Education Pupil Tracking Officer** (CME officer) who will undertake additional checks with other agencies to locate them, including consultation with social care, the police, health and housing. Where these enquiries do not lead to confirmation of the child's whereabouts, the matter will remain open to that service who will widen their enquiries. In these circumstances, the school cannot guarantee to keep a school place open for your child.

### **Safeguarding**

If at any time the school are concerned for a child's safety or welfare from any year group, we will consult with the relevant agencies and follow the local Safeguarding Children Partnership procedures.
